

SOCIALIST MODERNISM BOOK
SOCIALIST MODERNISM IN GERMANY
INCLUDING POSTAGE IN EUROPEAN UNION

The photo album includes landmarks of socialist modernist architecture in Germany – from 1955 to 1990. B.A.C.U. Association explains socialist modernist tendencies, it presents – in color photographs – a functional image of the buildings and their often original elements that synthesize local culture and traditions, while bringing you up to date with their current state of conservation. The 71 landmarks included in this volume have been organized by function, into five sections. The book contains the authors' view on Eastern German modernist architecture.
